

DISHWASH EXTRA

For automatic machines

Description

Concentrated, low foaming dishwashing detergent for use in all water conditions. Formulated to help resist tannin & provide the crockery with an extra sparkle. Suitable for use in all types of single & multi tank automatic dishwashing machines.

Features & Benefits

- High active formulation, very economical.
- Removes grease & stubborn dried on food.
- Effective even in very hard water conditions.
- Prevents soil & limescale being re-deposited.
- Supplied in a natural see-through container to easily check the volume.
- Available in a choice of pack sizes.

How to Use

Dispense into automatic dishwashing machine through an electronic dispenser at a ratio of 1-3ml per litre, depending on soiling and water hardness, in accordance with the machine manufacturer's instructions.

NOT TO BE USED FOR HAND DISHWASHING OR IN DOMESTIC MACHINES.
