

EST-EEM

Solutie de curat si dezinfectat

Descriere

Unperfumed, multi purpose cleaner and terminal disinfectant. Recommended for use on a variety of surfaces including worktops, cutting boards, tables, vending machines, refrigerators, kitchen equipment, shelves, floors & walls. Laboratory tests have proved it will kill gram positive & gram negative bacteria including MRSA (Methicillin Resistant *Staphylococcus aureus*) in 30 seconds and also the virus that causes Hepatitis B & HIV. It has also been proven to kill the growing organism (vegetative cells) of *Clostridium difficile* under dirty conditions.

Trasaturi si Beneficii

- Unperfumed.
- Cleans & disinfects in one operation.
- Residual, leaves surfaces free from bacteria for up to 7 days.
- Kills bacteria & fungi and helps prevent the spread of infection.
- Formulated especially for the Food & Catering Industry.
- Passes EN 1276
- Available in Ready To Use formulation in 750ml trigger spray bottles.
