TANET orange

green-Effective® Floor and Surface Cleaner

- Increased user safety ■ Effortless cleaning ■ Pleasant orange scent

Product profile

- TANET orange is a maintenance floor and surface cleaner with exceptional environmental properties and a pleasant orange scent. Respecting biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing work safety e.g. by its clinically tested skin compatibility, TANET orange guarantees perfect cleaning results at low use concentrations.
- High performance and a very good dirt holding capacity result in effortless and time saving cleaning processes. Its pleasant orange scent brings each cleaning result to its perfection.
- Majorly composed of renewable resources, TANET orange takes on the responsibility for future generations.

Area of application

- TANET orange is suitable for all water-resistant surfaces and floors such as plastic, rubber, stone, linoleum and PVC.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

2,5-7,5 mL/L

Manual floor cleaning: mop the floor with a clean mop.

Surface cleaning: wipe the surface wet or damp with a clean cloth.

Product safety, storage and environmental instructions

Safety: For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimises environmental impact.
